From the Principal

Dear Field School Families,

We are almost at the end of our first five-day week, and it has been a good one. We rolled out before school recess on Monday and it was well-received by students and staff. It is great to see students connecting with old friends and new peers during this outdoor time. We believe (and research supports) that extra exercise improves student focus and emotional well-being throughout the day. If you are dropping off students in the circle, please do not drop them off before 7:45 AM, as we only have coverage for students coming off our early busses. Picture day was a big success on Wednesday—there will be a make-up picture day on November 6th for those who were absent or would like to have their pictures retaken. Finally, our 4th grade students were treated to a performance and presentations from Grammy nominated singer and writer, Alastair Moock. Thank you to the PTO Creative Arts Committee and WEEFC for making this special opportunity possible!

I am very much looking forward to seeing you at Back to School Night on Tuesday. A schedule can be found on the Field School Website. I would like to conclude with a quick message about communications. I am sending this message via Infinite Campus since many parents did not receive my first message, which was delivered through the website. I spoke with the district head of technology, and he suggested that the messages were likely filtered into junk folders. He recommended that you could find the old message, or potentially other messages sent from WPS that got filtered out, and mark them as not being junk. This hopefully will increase the likelihood that future messages from Field, other schools, and the district will make it into your in boxes. In the meantime, I will continue to use Infinite Campus to send out critical communications. Thank you and see you at Back to School Night!

Best regards,

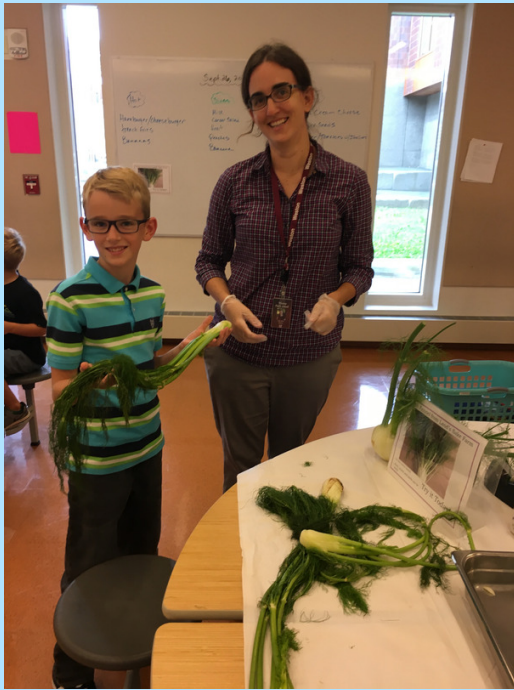

Dan
