## PTO & WEEFC Announcements

Dear Field School Families,

We hope you are having a wonderful week!

Please join Dr. Green for the Principal's Coffee on Thursday, January 31st from 9-10am. The topic of the coffee will be a preview of the 5th Grade Unit on Human Development. The coffee will also include a short presentation on choosing a foreign language in 6th grade at the Middle School next year. All parents are welcome to attend.

**Movie Night** is next week - **Friday, Feb. 1st** from 6-8:30pm. Please bring a blanket for the gym floor and any snacks you'd like to enjoy during the movie. We will be serving popcorn and juice. This event is **FREE** and sponsored by the Weston PTO. (This is a family event, so an adult **must** accompany children. This is **NOT** a drop off event.) We are looking forward to seeing all of you there!

Parent volunteers have been kind enough to sort through the Field School lost and found. Please ask your child/children to check the lost and found as all unclaimed items will be donated **next week**.

Wondering what's going on at Field School? Join us for the Field School Council meeting on Monday, February 4th from 3-4pm. This meeting is open to the public. We hope to see you there!

As always, please feel free to reach out to us with any questions, comments, or concerns.

Best,

## From the Principal

Dear Field School Families,

I hope you are off to a great start to the weekend. We have a busy and exciting week coming up at Field. On Friday, we will be hosting movie night to show the film *Wonder*, which many students have read in school as part of their book groups. On Thursday morning at 9 AM, we welcome parents to our annual coffee on human development and middle school foreign language options. At the beginning of the week (on Monday), we will be hosting the Field Geobee at 8:30 AM. Students held preliminary Geography Bees in their classrooms, and the finalists will be participating in this fun, academic event. Please congratulate the following students, who will be representing their classes:

- Grade 4
- Tiernan Emmert
- Christian Lago
- Ben Rosenfeld
- Aditya Mehta
- Adriana Garcia Sanchez de Mora

- Grade 5
- Andrew Cui
- Brenna Thomas
- Thomas Keller
- Lachlan Campbell
- Lex Francois

I look forward to seeing you at one or more of these exciting events!

Best regards,

Dr. Green
