## PTO & WEEFC Announcements

Dear Field School Families,

Happy New Year! We hope that you and your families are having a smooth transition back to school this week.

If you haven't ordered your Field School t-shirt/sweatshirt the sale is still taking place! We will close all orders on January 15th. To place an order, please visit:  
<https://www.sevenly.org/collections/your-cause-collections>

Please note that all orders will be delivered to your child at school. All proceeds from the sale will go directly to support Field School community events.

Mark your calendars for Field School's next community event: Movie Night on Friday, February 1st. Details to follow!

We are excited to announce that we are in the process of planning Field School's first International Festival. If you are interested in helping organize the event, please sign up here:

## From the Principal

Dear Field School Families,

I hope you had a restful vacation and are off to a great start to the new year! We hit the ground running on Wednesday. With the Case House slated to be renovated, we welcomed Superintendent Dr. Midge Connolly, Assistant Superintendent Dr. Kimo Carter, and district secretaries, Janet Bohlin and Patty Ferguson, to our Field community. This district team will be temporarily working out of a revamped classroom at the end of the 5th grade hallway.

I will be out of the building all next week with other Weston Public School principals at the Harvard Graduate School of Education. We are participating in the Data Wise program, an initiative that supports schools to use collaborative data inquiry to improve student academic outcomes. We look forward to applying what we learn with all Field teachers and students in the coming months/years. Dr. Connolly and other Field personnel will provide administrative support while I am away. I will still be accessible by e-mail, so please feel free to contact me with any questions or concerns you may have.

In the coming week, I will also send information on three after school opportunities that will start soon: 1) The BECOME student leadership group; 2) The Field cribbage club; and 3) A sewing club. I look forward to working with you and your kids in 2019. Happy New Year!

Best regards,

Dr. Green
