June 10: Grade 5 Celebration Day

June 13: Field Day/BBQ

PTO & WEEFC Announcements

Dear Field School Families,

We hope you and your families are having a wonderful weekend.

Thank you to everyone who contributed to the Faculty Luncheon. The faculty and staff enjoyed a delicious Italian-American meal and were gifted a supply of coffees and teas for the faculty room.

Contributions for faculty appreciation events is still open! Since the money we are collecting from Fourth Grade Families is to help fund faculty appreciation for the **next two years**, we will continue to collect contributions until May 13th. We are suggesting a \$10 donation per family. You can either Venmo Aida @Aida-Arain-Alam or you can turn cash into the front desk at Field School marked "Faculty Luncheon." Thank you for your support!

The Field School Diversity Fair: The Story of Us on Friday, May 10th from 6-8pm. Please mark your calendars and save the date! It is a drop-by event, so even if you're scheduled for sports, families can participate any time between 6 and 8pm.

Participants will have an opportunity to travel to different country-specific booths, play games, complete activities, win prizes, and try new foods. The event is **FREE**. We hope to see you there!

If you have any questions, comments, or concerns, please feel free to reach out to us!

Best,
Grace Yang and Aida Arain-Alam

From the Principal

Dear Field School Families:

Thank you to all PTO families who contributed to the faculty appreciation luncheon on Thursday. The staff felt very appreciated indeed! As you can see in the important dates section, we have a number of events coming up soon. Our first Diversity Fair will be taking place Friday night at 6 PM in the dining hall and gym and will feature 14 country booths, student performances, food from around the world, and a scavenger hunt. Please see the flyer below for additional details. Math MCAS takes place this week on Wednesday and Thursday. The Field STEAM Fair, 5th grade Celebration Day, and Field Day will be here before we know it.

On Thursday night, I enjoyed seeing so many 5th grade parents at the middle school transition meeting at WMS. John Gibbons and his team did a wonderful job sharing what's to come for our 5th grade class. While I am going to miss our 5th grade students when they move on, it is gratifying to see that they will be entering such an organized, caring, and intellectually stimulating school environment!

Lastly, I'd like to thank Alyson Muzila for helping to organize the planting of a young tree, in the name of our 5th grade class, as part of national Arbor Day. 5th grade student council members, as well as several community members, participated in a ceremony to dedicate the tree. A belated thanks also to Angela Kakabeeke and all other parents who helped organize Field students to participate in Weston's second annual town clean up. Our school grounds benefitted from this hard work.

I hope you have a great week and look forward to hopefully seeing many of you Friday evening at the Diversity Fair!

Sincerely,

Dr. Green
