PTO & WEEFC Announcements

Dear Field School Families,

Welcome back to school! We hope you and your families had a wonderful week.

As your new Field School Co-Chairs, we are extremely excited to help connect all of you to the Field School community. Both of us are former educators who value and understand the importance of a welcoming, warm community in helping our children engage in meaningful learning. We look forward to working with all of you!

Attached you will find a list of important dates for the year. These dates can also be found on the online calendar which can be automatically downloaded onto your personal digital calendar via the Weston school district website.

Our first community event, The Back to School Picnic, is this week on Wednesday, September 11th from 5:30-7:30pm. Please see the attached flyer for all of the details. We hope to see you there!

As we prepare for a year packed with exciting activities, we are always looking for parent volunteers. If you're interested in learning more about volunteer opportunities, please email us at FieldSchoolPTO@gmail.com

We are looking forward to an amazing year! If you have questions, concerns, or feedback, please feel free to email at any time.

Sincerely,
Aida Arain-Alam and Jennie Glass
FieldSchoolPTO@gmail.com

From the Principal

Dear Field School Families:

I hope this finds you and your children having a great start to the 2019-2020 school year. We have hit-the-ground running at Field School, and I have enjoyed welcoming back our 5th graders while seeing so many new faces in classrooms across the school. This newsletter is a bi-weekly communication I send out to share student successes, updates, upcoming events, and school priorities.

It was a pleasure seeing so many parents at our first principal coffee last Thursday. At the coffee, I had the opportunity to introduce school leaders and new faculty. This year, we welcome Jennifer Nolan as our Team Chair/School Psychologist. We also were fortunate to hire Amanda Baker, who joins us from Woodland, as a 4th grade Special Education Teacher. Further, Julie Gianotti joins us as an Occupational Therapist and Cheryl Garzoglio returns (after a maternity leave) to the role of Speech Language Pathologist. Right before school started, I received the exciting news that Field had received the funding needed to hire the district's first Math Coach. I am proud to share that we hired longtime 4th grade teacher, Jenna Poras, for this position. Olivia Stranberg was subsequently hired to teach 4th grade. We start the year with the ideal balance of veteran teachers/leaders and a core group of new and energetic professionals. If you were unable to attend the coffee last week, please feel free to contact our new staff, or any staff for that matter (including me!), via e-mail.

One of my top priorities remains to communicate with families and involve you in the exciting work we do with your children every day at Field School. I look forward to seeing many of you at the picnic on Wednesday. Thank you and I hope you have a great week.

Sincerely,

Dr. Green
