October 1: Virtual Field Principal Coffee with Dr. Green (9 AM)

October 8: Virtual Field Principal Coffee with Dr. Green (9 AM)

October 12: No School (Columbus Day)

PTO & WEEFC Announcements

Dear Field School Families,

We hope you are all off to a great second week of school. As we've mentioned in our previous newsletters, Gillian and I are very happy to be serving as your Field School PTO Co-Chairs this year. We know that this school year will be very different, but we are committed to keeping our community strong. We will do our best to come up with some safe, socially appropriate events throughout the year. If you have any interesting ideas, please feel free to reach out too. We look forward to working with you all.

The next important event will be Dr. Green's virtual coffee on Thursday, October 1 from 9:00-10:00am. It will be a parent forum for 5th grade families. He will host a similar one for 4th grade parents on October 8. Dr. Green will email the zoom link to the coffee the night before.

To our 5th grade families, please be on the lookout next week for an email where we will begin collecting your first day of 5th grade photos and first day of Kindergarten pictures for our celebration day video at the end of the school year.

Thank you again to everyone for your outpouring of kindness and support as we navigate our way through a very unique school year. Your positivity has certainly brightened our days, and we are so grateful for this amazing Field School Community! With much kindness,

Jennie Glass and Gillian Fachner

From the Principal

Dear Field Families:

I hope this message finds you doing well! The staff at Field School was thrilled to welcome back your children as part of our hybrid and remote learning academy programs. For students who joined us in person, we hit the ground running with our safety protocols and introductory academic activities. Our remote learners immediately set out to build community and re-immense themselves in academic inquiry. I couldn't be happier with the start to the school year. We missed our students more than I can express in words!

Thank you for your continued partnership, flexibility, and collaboration as we reimagine education with your children during these unique times. In the coming months, I will be sending out bi-weekly newsletters, which will include dates for upcoming events, a message from our PTO Co-chairs, and principal updates. Today's newsletter focuses on new staff at Field School this fall. I would like to begin by welcoming two new additions to our nursing team, Jamy Gaynor and Jennifer Riggs. Jamy is not only the district's new medical director but also a part-time nurse at Field School. We also welcome Erin Marshall to our 4th grade team, Robert Yates our 5th grade team, and Emily Grant to RLA. Our special education team is happy to welcome Elizabeth Childress and three new learning assistants who will be supporting students across the school: Susan Casler, Natalie Davis, and Kelvin Crisostomo. Please join me in welcoming Hannah Tight and Olivia Rhein to our music department. Finally, we have hired two in-house substitute teachers, Tara Lowney and Elizabeth Szabo, who will provide classroom support when teachers are absent.

Thank you once again for your positivity and flexibility during this reopening process. It has been very much appreciated by all!

Sincerely,
Dr. Green
