Farewell Seniors... and Good Luck!

- Remember to check Naviance and bring any necessary payment for transcripts to Ms. Wadsworth prior to seeing your counselor for the final sign-off prior to graduation.
- When you see your counselor for a signature, please remember to pick up your folder. It has lots of goodies, including pictures from your early Weston years and report cards, test scores and teacher notes from ever year of school.
- Be sure to let your counselor know where to send your final transcript. If you've received good news about a waitlist, we need to know! Also, if you plan to play a sport in a D1 or D2 school, we need to send your final transcript to the NCAA as well... so we need to know that too! If you're considering "walking on," we suggest sending your transcript now.

Juniors

- Parents – you have homework too! Be sure to complete the Parent Brag Sheet so that your student's counselor can give the best and most accurate college recommendation possible! Brag sheets are available through Naviance or by clicking [HERE](#).
- Parents, sign up for your Naviance Account. It is a useful tool for the college process and **all junior parents should have an account**. To get an account please email Tricia Donahue at donahuep@weston.org or Geoff Baltera at balterag@weston.org
