Day 1: Martinique

Flight to Martinique. Arrive and check in to your accommodations. Balance of the day at your leisure.

Day 2: Fort-de-France

Transfer to Fort de France where you will spend your morning on a walking tour of the capital, then visit the bibliotheque Schoelcher, and La Cathedral. Afterwards, engage in a digital scavenger hunt at a farmers' market and sample some "accras de morue". After lunch, participate in a service learning project at L'Esperance foster home

then tour a local rural farm. Enjoy a homemade dinner at the home of a local family and interact with them while they teach you some creole as well.

Days 3-5: Martinique

3 days of cultural and educational focus take the spotlight!

Opportunities include a visit to an authentic Martiniquaise school; tour the school, learn about the French education system, and spend the day visiting some classes, having lunch with students at school, and

especially, having recess and "running around" time with them. Our goal is to have as much contact with local students as possible.

Ecotourism activities will also be included.

Day 6: Martinique

Enjoy your included Yole Ronde boating excursion with afternoon snorkeling.

Day 7: Mount Pelée

Adventure awaits you today! Travel to the green and luscious volcano at the northern end of Martinique for your included hike up the nearly mile-high moun-

tain. Enjoy spectacular views of Martinique as you traverse the area and climb ever higher. Included swim in the river gorge and waterfall, as well as exploration of the ruins.
