Dear WHS Community,

I am pleased to welcome Ms. Kara McGillicuddy, Humanities Learning Assistant to TEC. Kara will be joining us part-time in the afternoons to tutor students in English and History. She joins Anu Paras, who is with us in TEC full-time, tutoring students in Math and Science. Fully staffed, TEC is ready to welcome students on a regular or drop-in basis for help with homework or schoolwork in the form of regular, ongoing tutoring or help in the moment.

TEC is open to all students during the school day. All 9th graders are invited to visit TEC early in the school year and may come to TEC during their study halls. Sophomores, juniors and seniors may come to TEC when they have free blocks. TEC is also open during all lunches and is equipped with computers, printers, textbooks and a host of student supplies and materials.

If you have any questions about TEC, please do not hesitate to be in touch.

Best,
Erin Patterson
TEC Coordinator
