Dear Parents/Guardians and Students,

This spring, Weston High School will administer the MCAS English Language Arts (ELA) and Math exams using a computer-based format.

As a parent/guardian, you should be aware of the following:

1. An MCAS Infrastructure Trial will take place on Wednesday, March 13th at 8:45-9:40.
This is mandatory for all sophomores.
2. Room assignments for sophomores will be posted at the school entrance and around the building.
3. We have scheduled this critical Infrastructure Trial to ensure our network and existing technology are ready for MCAS testing and to provide an optimal environment for our students. MCAS testing will take place beginning with **ELA on March 26 & 27 and Math on May 21 & 22.**

Schedule for Wednesday, March 13th
All Sophomores must report to school by 8:40.

Buses will run on their regular schedule on March 13th. Therefore, if a 9th, 11th or 12th grade student needs to take a bus, they will need to take their bus at the normal time. Otherwise, students do not need to arrive at school until 9:40. The gym and cafeteria will be open from 8:45 to 9:40 for 9th, 11th and 12th grade students who arrive early.

8:45-9:40 **Grade 10 and ELA/Math proctors in testing room**
Grades 9, 11, 12 in the cafeteria and gym

9:45-10:40 **C2 First block (All teachers and students.)**
