Dear Parent/Guardian,

September 12, 2019

This communication is to invite you to a parent forum on Tuesday, September 17th at 6 P.M. in the APC at Weston Middle School.

Weston High School uses ALICE as our safety training protocol. Later this fall, the high school will conduct ALICE drills, as a school. This parent forum is to provide you with information about our ALICE training. The forum will be facilitated by Middle School Assistant Principal, Phil Oates, and Weston Police Department Detective Kellie Connarton. I will be there to answer any high school specific questions.

ALICE is an acronym that empowers students and teachers to act in a hostile environment:

A - Alert  
L - Lockdown  
I - Inform  
C - Counter  
E - Evacuate

This video was created by Ted Garland and one of his former Video Production classes. It provides an overview of ALICE and of the District's school safety philosophy:

I look forward to seeing some of you at the forum. In addition, I am always happy to answer any of your questions by phone or email.

Best,

Kelly Flynn
