### STUDENT AMBASSADORS PROGRAM

At Weston High School, our Student Ambassadors act as mentors, facilitators, and more than anything else, friendly faces and a support network for students new to Weston High School. The Ambassadors are made up of a select group of sophomores, juniors, and seniors who apply to be a part of the program and can commit fully to our meeting/event schedule. In order to participate in the program, Ambassadors must agree to do the following:

- Attend a one-day summer training in August (date TBD)
- Attend meetings during Activity Block, especially in the fall and spring
- Check-in with their assigned new students on a weekly basis
- Provide tours for prospective families a few times each year
- Participate in ninth grade orientation the day before school starts
- Plan events to help new students acclimate to Weston High School

If you enjoy meeting new people and want to make a positive impact on the Weston High School community, we want you to become an Ambassador. Space is limited and students must be accepted into the program. To apply to become an Ambassador, please complete the Student Ambassador Program Application and submit it to Mrs. Gugliotta by email (gugliottag@weston.org) by Friday May 1, 2020.
