

## WESTON HIGH SCHOOL STUDENT COUNCIL

### '24 STUDENT COUNCIL REPRESENTATIVE CANDIDATES

#### MOLLY ROSS

I am Molly Ross and I love being part of the Weston High School community inside and outside the classroom, especially being part of a team. Whether I'm on the playing fields, on the hockey rink or collaborating on a group project, I know success always comes from WORKING TOGETHER!

#### SARAH LENOX

Hi I'm Sarah and I'm running for Student Council Representative. I'd be a great fit for this position because I'm good at getting on top of things, very responsive and a great listener. I hope to contribute to this class and really make us stand out.

#### CHLOE ZHONG

I am running for a student council representative position because I want to make a change. I believe that being on the student council will help me initiate change the fastest. I hope you vote for me! Thanks for spending time on helping your community improve.
