Hello Wildcat Families-

We recognize our school year took another turn over the course of the past week and we very much appreciate all of the patience, flexibility, understanding and communication that has coincided with these shifts. Please know that these decisions are never easy. However, at the core of every decision we make, we are working to navigate safety for all, while maintaining academic excellence, and maximizing social emotional supports for all of our students.

We will continue to strive for students to be in the building, in the classrooms, with their peers and with their educators, while recognizing that quick shifts may come due to new numbers, new situations, and new announcements. Thank you again for your continued support.

In other news, we are excited to announce on behalf of the PTO and each of the WHS Classes, an outdoor Pop-Up "store" that will be held on Saturday, 12/12 from 10am - 2pm and again on Saturday, 12/19 from 10am - 2pm. Each class will be set

up with some WHS branded clothing to sell (or in some cases providing for picking up online pre-orders).

Here is what is available!

Our **Freshman Class** is selling WHS branded masks. You can order online here: [Google Form](#) . They will also have a limited supply of Long sleeve Vineyard Vine T-shirts and socks - available only at the pop-up store 12/12 and 12/19

The **Sophomore Class** is currently selling sweatpants/joggers - These will be available for purchase at the pop-up store and an online order form will be made available later this week.

The **Junior Class** is currently selling beanie hats - [online orders available now](#), or for purchase at the pop-up store.

And finally, our **Senior Class** is selling a limited supply of flannel pants & hoodies, available for purchase at the pop-up store.

Each Class will have their own table set up outside, social distancing will be strictly adhered to, everyone is required to wear masks, and extra hand sanitizer will be on hand. Only a limited number of mask-wearing students/adults will be working at each class "store".

We love seeing that Wildcat Pride! Your support of the classes (while looking marvelous) is much appreciated!

Truly and sincerely,

Paul Peri and Kelly Flynn
