Hello Wildcat Seniors and Families-

It is with great pleasure that we share with you the information and dates for your upcoming Senior Week. It is also with great pleasure that we share that due to shifting and lessening of our state guidelines, all of the following events are offered **in-person**.

The intent of this communication is to share this remarkable news and to share an overview of the upcoming schedule. Times have been chosen for several reasons, including but not limited to work schedules, school educator needs, parking, state testing and even for hair and make-up appointments! Please note that Rain Dates for each event will be shared in individual event communications which are coming soon.
