Friday, 6/4 12:00pm Communication #1

Class of 2021!

This morning the sun was shining for a bit. Downpours look like they will hit between the hours of 2pm and 5pm. It then appears that the skies will clear enough, and we will be able to host an incredible graduation ceremony!

Weston High School is pleased to announce that we will host our 153rd Commencement this evening, Friday, June 4th.

We will move the start of the event to 6:00pm, from the original 5pm start time.

Seniors...we will see you at WHS for bussing at 4:45pm.

Please stay tuned for possible additional communications.

Sincerely,

WHS and WPS Administration
