Hello Wildcat Students and Families-

A shorter week as we head into the April vacation and there is no school on Friday. Hard to believe our seniors have less than twenty days until their internships and projects begin and that we are approaching the half-way point of the fourth and final quarter. Let's have an amazing week and earn a restful, relaxing, refreshing vacation.

Special Olympics: Sunday, Weston High School sponsored the Special Olympics State Basketball Tournament. It was a fabulous day! The officials, coaches and players were all so impressed with the student volunteers. Over 190 students were there from 7:30 am to 4pm!

Special thanks to class advisors Jeff Dias and Thea Ruggiano as well as WMS ss/history teacher and Class of 23 parent Ed McLaughlin who stepped up to run the middle school basketball courts. We were extremely impressed with our students. From the crack of dawn til the bitter end, they did everything asked of them, and left the school looking spotless (with a lot of help from awesome high school custodial staff Brandon and Juan).

If you see any of the Class of 23 officers; Grace Kirk, Shreya Mehta, Henrik Stjernfeldt, or Haven Trodden, please congratulate them on a wonderful event!

Principal's Coffee: Our April Coffee Talk will be in person tomorrow, at 9am, in the WHS Auditorium. We will begin by talking about all things Weston High School, especially about upcoming events, and then begin a discussion regarding decision-making, well-being, and substance use. Hope to see you there, but if you are not able to make it and would like to join in, click on the webinar link below. Thank you!

National Honor Society: Class of 2023-Juniors! To those students currently maintaining a 3.7 GPA or higher, the National Honor Society application/invitation will be sent directly to you via your school email tomorrow. If interested, please follow the information provided to submit your application. Wishing you the best!

Parking: To all licensed students...Please ONLY park in your designated spot. To our licensed students who do not yet have an assigned space, please do not park in the back of the school, and please do not park at the middle school. You may take the seniors parking spaces beginning on May 16th.

Cold Feet Warm Hearts: The non-profit organization called Cold Feet Warm Hearts, run by Hunter Stofer, is currently running a sock drive until this Thursday, 4/14. The organization is looking to collect adult and children's new socks. Socks will then be distributed to homeless shelters throughout Massachusetts. Empty boxes are on campus now. Please support this cause!

Donate with the Black Student Union: The BSU is looking to support the St. Mary's Center for Women and Children by holding a "Diaper Drive". The BSU is collecting the following new items: pacifiers, diapers/pull ups (larger sizes are preferred), towels, washcloths, crib sheets/blankets, children's toothbrushes, menstrual products, and children's raincoats. Please donate new items only . Donations can be placed in a donation bin at the high school until the end of April.

Donate and Volunteer with the Facing History Club: The Facing History Club, in conjunction with the Class of 22, is hosting a walk-a-thon on April 15th beginning at 10:30am! The Boston Neighborhood Community Land Trust is a group of activists fighting gentrification that is displacing low-income families in the greater Boston area, a majority of which are people of color. They strive to prevent structural racism through purchasing community land trusts with the intention of keeping housing permanently affordable in that region. As Boston is now the 3rd most gentrified city in the United States (ncrc.org), we hope to raise money to help support affordable housing in Boston neighborhoods.
