

Student Club Proposal Form

Congratulations on your decision to propose a student club! By taking an active role in the Weston High School community, you are helping to improve your educational experience, as well as the experience of your fellow peers. Below you will find the necessary information needed for me to *consider* a club proposal. Please be sure to fill in all the required information and to write neatly. The last page of this form is for student signatures. It is important to supply me with a list of prospective club members as that demonstrates interest by the student body for this club. Once your proposal has been received by the Student Activities Office, Mr. Peri and I will review the information and either approve or reject the proposal. Approved clubs will be sent to Case House for *district* approval. A final list of approved clubs will be sent back to the High School and added to the Student Activities website. If you have any questions, please see me in the Student Activities office.

Club proposals must be in by October 1 to be approved for the current school year. You may submit forms throughout the school year, but they will only be taken to school committee for approval once in the fall. Students need to have spent one year as an active club member before they can propose a club.

Best,

Ms. Brisky
Director of Student Activities
