September 27, 2022

Dear Wildcat Parents and Guardians,

On behalf of the faculty and staff, we are excited to invite you to attend our annual "BACK-TO-SCHOOL" Night, live and in-person, on **Wednesday, September 28, 2022 from 7:00 to 9:00 p.m.**

This evening is very important as you will have the opportunity to meet your student's teachers and gain a greater understanding of the expectations and inner workings of each class. Though you will not experience a full class period of 68 minutes in each class, we hope the 10 minutes we have scheduled for each class will give you a good sense of what high school students experience daily. Also, we believe that knowing the teacher, curriculum and the class objectives will assist you in helping your student to be successful at Weston High School.

As you may be aware, much conversation has been taking place at WHS about grading and assessment and we are pleased to share that all parents/guardians are invited to attend a Parent Forum, or view via livestream, this Friday, 9/30 at 9:00am in the WHS auditorium. At this forum, further discussion about where the school and district are and are not moving in regards to grading will be shared. We are working with our faculty this week on these changes, and it is important to note that the teachers have not yet had the opportunity to talk with their colleagues. Due to these recent shifts, teachers may not be ready to discuss grading during their ten minute window at BTSN. A district communication is forthcoming.

To enable you to visit almost all of your student's classes, we have created an exact schedule for the evening for you to follow. Students will be creating a user-friendly version today, at school, to better assist you Wednesday evening. A few unique notes:

For assigned study hall blocks please note the following:

- If your student has an assigned study hall, please attend their art or cooking class during that block, no study hall will be meeting during back to school night.

For Health Education and Wellness Education/PE classes, please note the following:

- All 9th grade Health Education and Wellness Education/PE classes will meet in the AUDITORIUM during their assigned block.
- All 10th, 11th and 12th grade PE classes will meet in the GYMNASIUM
- All 10th and 11th Wellness Education classes will not meet, a communication will be sent via email to parents and guardians regarding these classes.
- IF your student DOES NOT have Health Education or Wellness Education/PE on their schedule for the first quarter, please come to the auditorium or gymnasium during any free block to hear about these courses, which your student will have later this year.

The following classes will not be meeting:

- Career Seminar, Guidance Seminar, Digital Literacy Seminar and Speech. If any of these classes are scheduled during the blocks listed above, please go to the appropriate Health Education or Wellness Education/PE presentation for your student.

To help you find your way around the school, you will receive a completed schedule from your student for the evening. This should get to you electronically and hopefully in hard copy! A sample of the schedule sheet is below. You will also find a **school map with this letter**. WHS Student Ambassadors will be stationed around the building to offer assistance as well.

The P.T.O. will be serving refreshments in the cafeteria and the Boosters will be selling WHS gear on site!

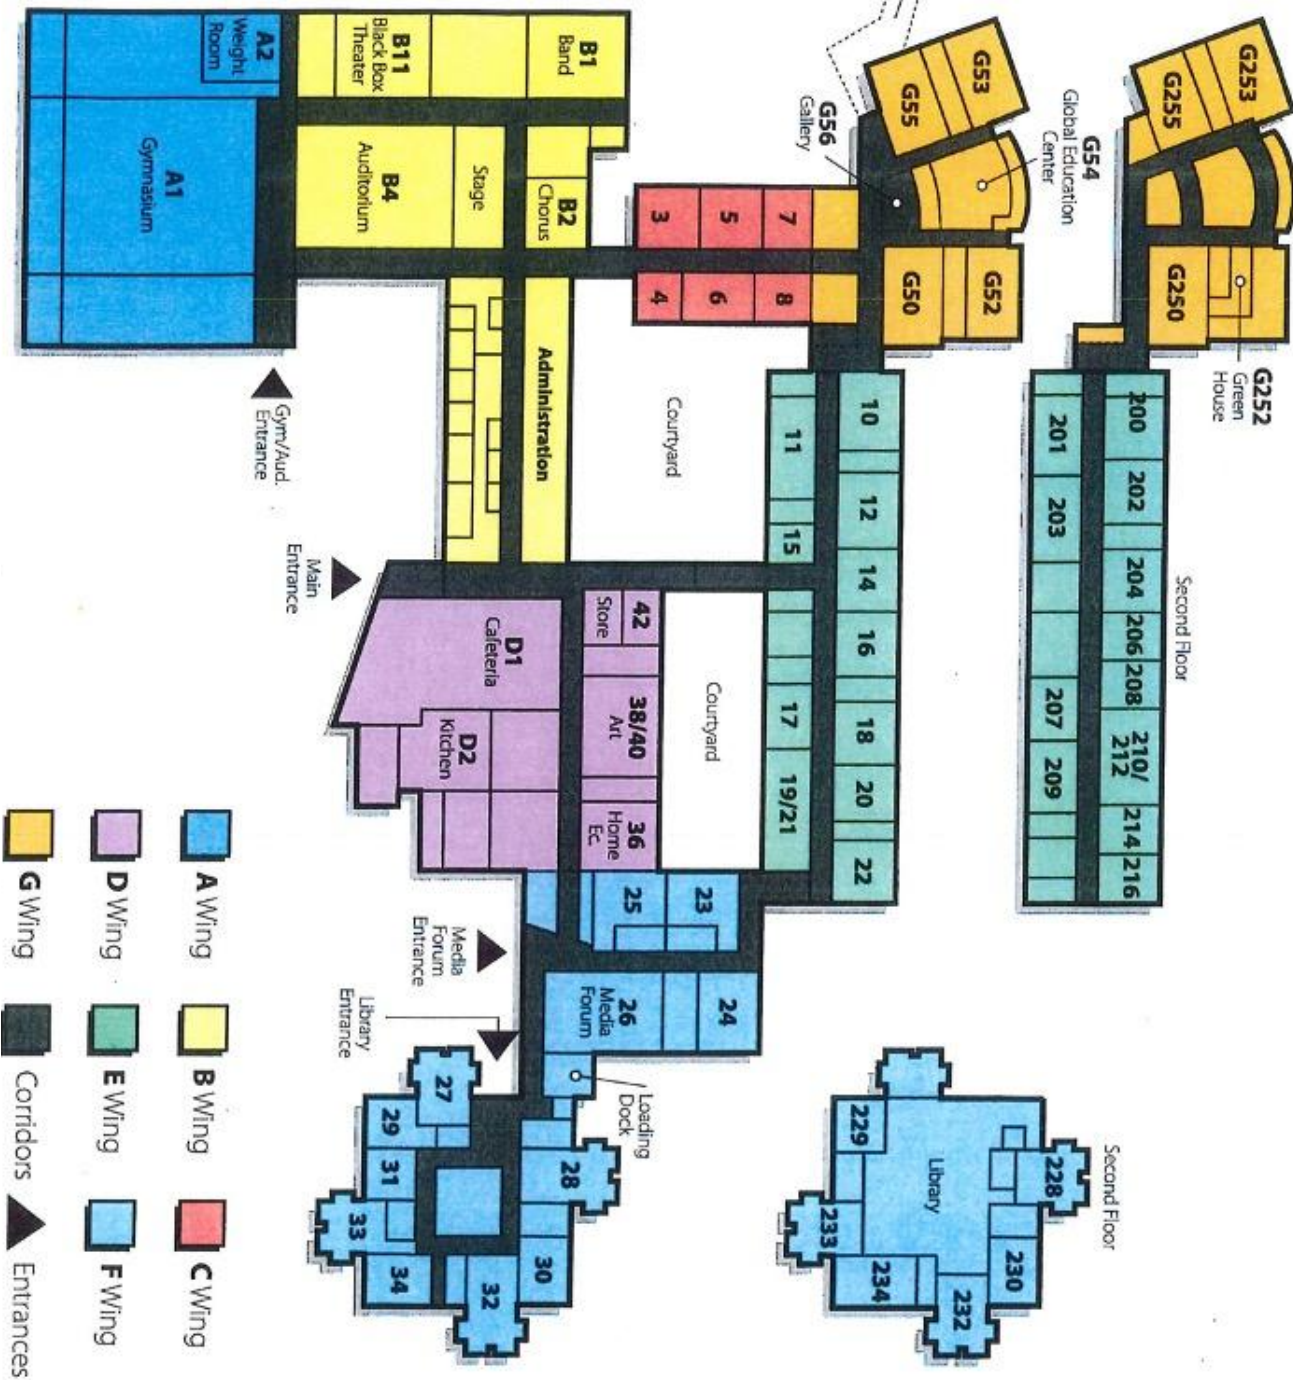

We look forward to seeing you tomorrow evening, **Wednesday, September 28, 2022**. If you have any questions, please do not hesitate to contact us by telephone or email.

Sincerely,
Paul Peri and Jennifer Knight

Back to School Night 2022 Parent/Guardian Schedule

STUDENT NAME: _____

TIME	DAY	BLOCK	COURSE	TEACHER	ROOM #
7:00 – 7:10	Day 1	Block 1 (A)
