

Your students are invited to the **Sophomore Boston Harbor Cruise** on Saturday, September 17th, from 5:45pm - 7:45pm. This one-of-a-kind event will include dinner, dancing, a live DJ and wonderful memories for years to come.

Students should wear semi-formal attire and comfortable shoes. We recommend bringing an extra layer as it can get cold on the water in the evening. A snack or light meal before departure is advised. Small clutches allowed, but all other bags are prohibited. Use links or QR codes below to register.
