

Weston HS CyberPatriots Achieved National Recognition in an Annual Competition to Become top 5% of all High Schools Nationally

The Weston High School CyberPatriot Team has achieved great results in the nationwide **CyberPatriot XV Cyber competition**.

The team put forth by our CyberSecurity Club made up of Nicholas Dai, Colin Duggan, Max Zou, Thomas Li, and Siyang Ding achieved a **National Platinum Semi-finalist, the top division nationwide**, and won the **#2 Spot in Massachusetts**. This is a huge accomplishment and the team battled hard.

The **National Platinum Semi-finalist** rank was achieved by outscoring over 2,000 seasoned Cyber teams from all over the nation. They did this by scoring in the top 30% Nationwide in a set of two cumulative qualifying rounds then attaining a score in the top 25% of all platinum qualifiers (highest division).

Currently, the Weston Cyberpatriot team stands in the top 5% of teams nationwide.
