Dear Weston Middle School Parents/Guardians of Eighth Grade Students:

Hello and welcome to Weston High School! On behalf of our incredible department heads, directors, and fellow administrators, I would like to provide details about our annual WHS Curriculum Night this Wednesday, January 25th, from 6:30-7:30. It will be virtual in order to accommodate as many schedules as possible, with information posted in advance and live discussions during the event. We will present to you an introduction to the school, answer questions about our offerings and opportunities, and introduce several of the people who make Weston High School so special.

Our hope is to discuss learning standards, courses, and course sequences while also sharing several special aspects, programs, and offerings. The WHS Curriculum Night is an evening that deals exclusively with the 9th grade course of study and experience. Please follow this link to access the [22-23 Program of Studies](#).

Later this afternoon, WHS will send pre-recorded messages and overviews of the 9th grade curriculum from each of our Department Heads and Directors. The evening will be offered as a virtual “get together” via Zoom. The link for our Wednesday evening together will be sent to you Wednesday morning. Assistant Principal Ms. Jennifer Knight, Guidance Director Marla Schay, and I will present live and our department heads and directors will then be available for Q and A in various breakout rooms. We hope that by releasing the videos today, that you will have a chance to review them prior to Wednesday night. **The Welcome Presentation will be recorded and shared on our website in case parents/guardians are not able to make it at this time**, however the Q and A’s with the department heads will not be recorded.

We are truly excited to get to know you and your child better. We hope to help welcome, guide, explain, lessen anxieties, and to showcase all that WHS has to offer.

See you soon!

Truly and sincerely,

Paul Peri
Principal
