September 28, 2023

Dear Wildcat Parents and Guardians,

On behalf of the faculty and staff, we are excited to invite you to attend our annual 'BTSN/Back to School Night' on **Thursday, October 5, 2023 from 7:00 to 9:00 p.m.**

Join us for this important evening as you will have the opportunity to meet your student's teachers and gain a greater understanding of the expectations and inner workings of each class. Though you will not experience a full class period of 68 minutes, we hope the 10 minutes we have scheduled for each block will give you a good sense of what high school students experience daily. Also, we believe that knowing the teacher, curriculum and the class objectives will assist you in helping your student to be successful at Weston High School.

To enable you to visit almost all of your student's classes, we have created an exact schedule for the evening for you to follow. Students will be creating a user-friendly version at school, to better assist you on the evening of October 5th. A few unique notes about Health Education and Wellness/Physical Education:

- All **9th grade Health Education and Wellness/Physical Education** classes will meet in the **AUDITORIUM** during their assigned block.
- All **10th & 11th grade Health Education** classes will meet in the **GEC/Science Wing**
- All **10th, 11th, and 12th grade Wellness/Physical Education** classes will meet in the **GYMNASIUM** during their assigned block.
- IF your student **DOES NOT** have Health Education or Wellness/Physical Education for the first semester *please come to the GEC/Science Wing (10th & 11th grade), or gymnasium (12th grade) during any free block to hear about the courses that your child will have later this year.*

Additionally please note that the following classes will **not** be meeting:

Career Seminar Digital Literacy Seminar Guidance Seminar
Speech Study Hall Advisories

If any of these classes are scheduled during the blocks listed above, you are invited to attend the **appropriate Health Education and Wellness/Physical Education presentation for your child.**

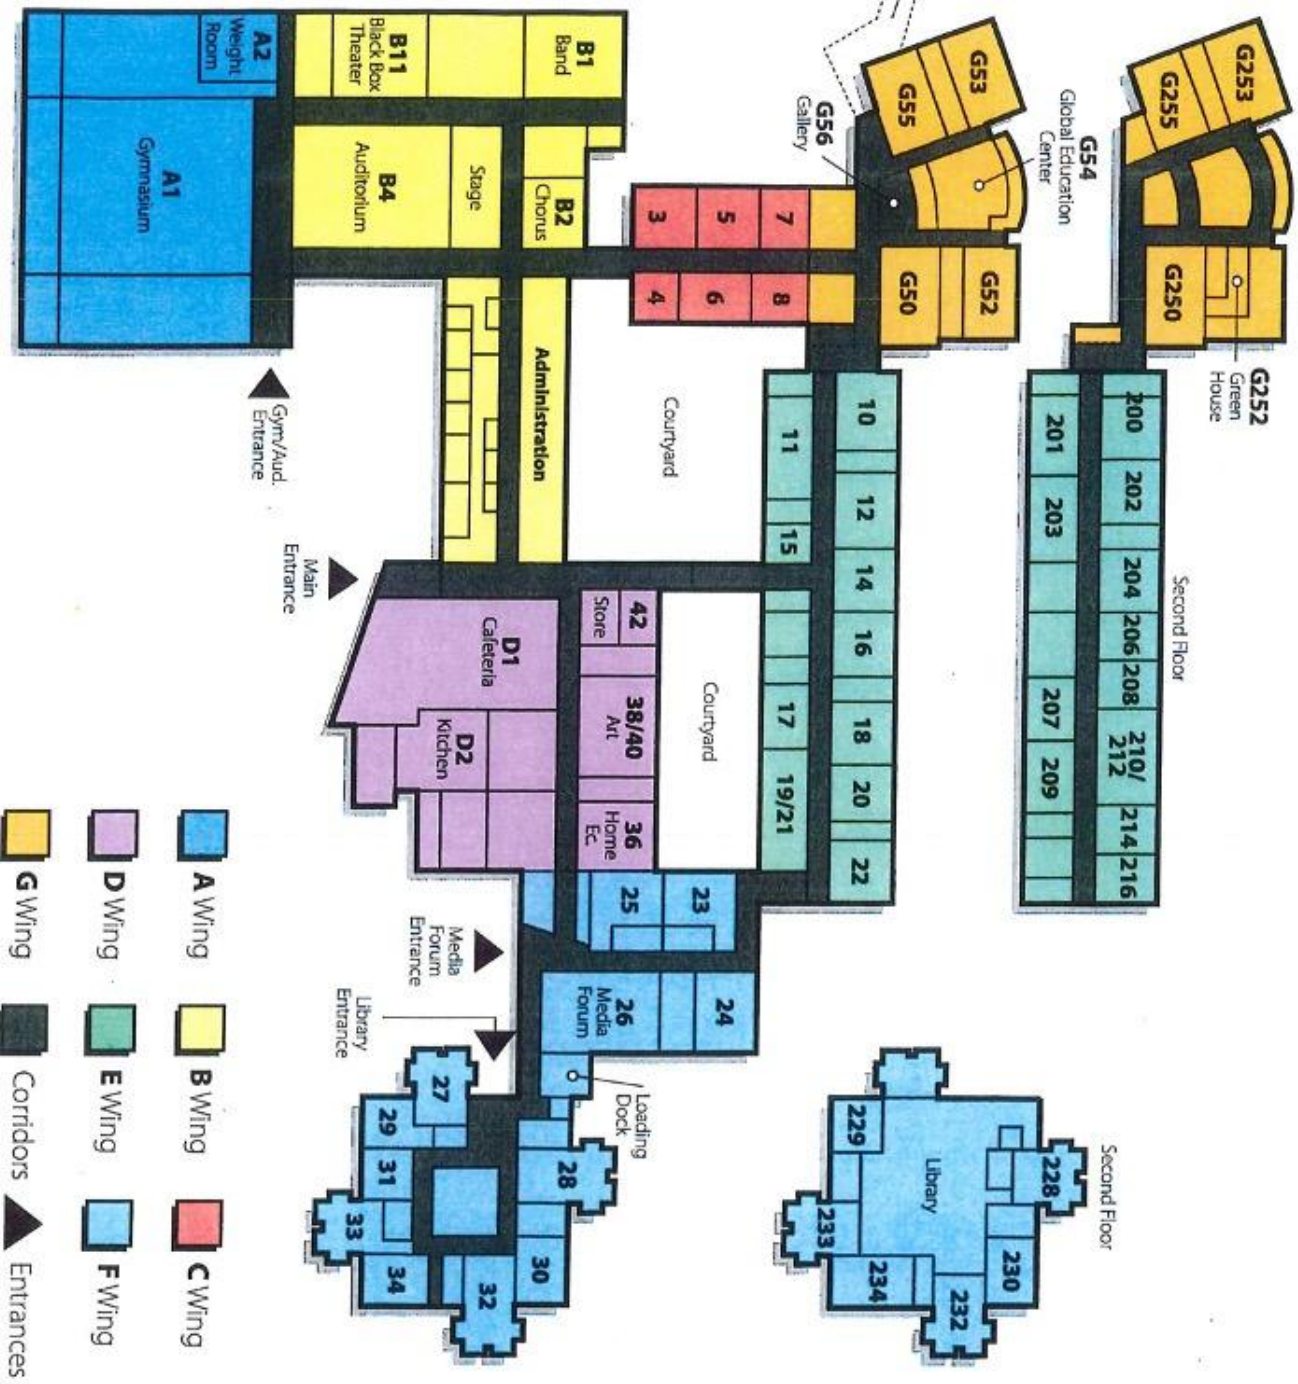

To help you find your way around the school, you will receive a completed schedule from your student for the evening. This should get to you electronically! You will also find a **school map with this letter**. WHS Student Ambassadors and National Honor Students will be stationed around the building to offer assistance as well.

The P.T.O. will be serving refreshments in the cafeteria and the Boosters will be selling WHS gear on site!

We look forward to seeing you on **Thursday, October 5, 2023**. If you have any questions, please do not hesitate to contact us by telephone or email.

Sincerely,

Paul Peri and Susan Bairstow

Weston High School
