

Dear Weston Middle School Parents,

If your child needs assistance with homework or test-prep, they have the opportunity to receive one-on-one tutoring from Weston High School students after school.

The Weston Tutoring program takes place every Monday and Thursday after school from 3:25 to 4:10 PM in the middle school library. Volunteer students from the high school, mostly grade 12, are available to help your child finish their homework efficiently, study for exams, and better comprehend any material that they are struggling with. We try to gauge who each student's tutor is based on their grade level and coursework.

The program's supervisor is Mr. Peter Dunbar, a high school SKILLS teachers. We request that interested parents fill out the attached form.
