DR. MARGUERITE CONNOLLY  
SUPERINTENDENT OF SCHOOLS

June 25, 2020

Dear Weston School Community,

Here is the link to the [\*Initial Fall Reopening Guidance\*](#) from the Department of Elementary and Secondary Education. At first glance there is a strong push to have children and youth be educated in school buildings. We have already done some initial planning in anticipation of school reopening and the Administrative Team working with the WEA will now intensify our efforts. We will remain nimble and flexible as we continue to plan, and safety of students, faculty and staff will be paramount as we undertake this work.

Best,

Dr. Midge Connolly
