

Nicotine Addiction – **What does this mean?**

June 1st at 7pm at Weston HS and Online

Weston Public Schools welcomes
Dr. Lester Hartman, MD, MPH
recently retired from Children's

MS & HS students
are encouraged to
attend along with
family members

Join us on June 1st at 7pm for an event to learn more about 'vaping' and its addictive properties

This event will be offered in person at Weston High School, and virtually on Zoom (link coming soon)!

"As a practicing pediatrician, I've seen firsthand the harmful effects of this disastrous youth epidemic." - Dr. Hartman
