

Art in Bloom 2023

The 33rd Annual WMS Arts & Technology Festival will be held on Tuesday, March 28th from 5pm-7pm. The “Art in Bloom” event will have almost a thousand pieces of art on display in the Amy Potter Center for the first time since 2019. The WMS Jazz Band and select string ensembles are performing. Interactive robotics, engineering and visual art stations will be installed for hands-on fun, as well as viewing stations for student-created 6th grade silent-movies and 8th grade videos. The WMS Garden Club will be in attendance and this will be one of your last opportunities to order a WMS Yearbook. Light refreshments provided by the PTO. Bring the whole family, all are welcome!
