

Hello Wildcats!

It was so nice to meet so many of you last week both in person and over Zoom. We are going to have a lot of fun together over the next three years. Being your child's principal is an honor and I can't wait to join you on this adventure.

As promised, here is the information that was shared at the transition night on April 30.

Here are the slides that we were speaking off of:

We will be communicating with you more over the summer. Until then, enjoy your last days at Field School with the fantastic group of educators over there.

We will be in touch soon.

Sincerely,
