GUIDANCE DEPARTMENT

Dear Student,

Please let me know if you need any of the information you receive translated to your native language. Welcome to Weston High School! I understand that changing schools can be difficult. However, please know that we have an excellent transition process which includes the opportunity for you to get to know other students before school begins as well as access information about Weston High School and all that we have to offer. When we meet, I hope I can answer most of your immediate questions. I have found that students typically ask some questions in common, I have listed them below. I'm sure you have many additional ones, but these are most commonly asked.

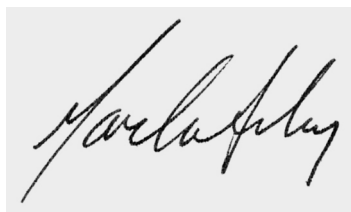

- | | |
|---|---|
| _____ Are there summer reading list(s)? | _____ What is the school schedule? |
| _____ What work did I miss? | _____ What bus do I take? |
| _____ Who is my guidance counselor? | _____ How do I get to know other students? |
| _____ What homeroom will I be in? | _____ How do I join activities and athletics? |

Available on the website is the current Program of Studies as well as the Student/Parent Handbook. Both of these publications contain valuable information about the school and opportunities in which you may be interested. Another way to gain information is to sign up for the student list serve. This will allow you to have valuable day-to-day information sent directly to your email address. You can sign up for this by emailing the following address: hsstudents-subscribe@weston.org. You will receive a message to confirm; send a reply and you will receive a confirmation. You will immediately receive daily announcements, reminders of special events and updates during times that information needs to go out quickly.

I hope that your transition into the Weston Public Schools is enjoyable and smooth. All of us at Weston High School are looking forward to having you as a part of our community and are excited about the upcoming school year!

Thank you for your patience as we go through this process together. Please feel free to contact me with any of your questions or comments.

Sincerely,

Marla Schay
Guidance Department Head
