

**WESTON HIGH SCHOOL**  
**New Student Course Request Form – For Students Entering Grade 12**

Course selection requires a thoughtful contemplation and discussion with parents/guardians and a guidance counselor to help clarify your options and planning for the future. Please see the Program of Studies for a complete list of course offerings for the year. You can access the Program of Studies through the Weston High School website – Academics page. The courses and grades from your prior school will be taken into consideration for placement in honors or AP courses. If you are requesting AP English, please submit a graded analytical paper for review by the department head. Placement into world language courses may require a conversation with the department head.

**Please note:**

- Students must **register for a minimum of 33.5 credits and provide alternate electives** as indicated below.
- Please print clearly **in ink**.

**PRIMARY COURSE REQUESTS**

**Note on Alternates:** *There are several choices within each discipline for senior courses, with semester options for English and Math. Please note that you MUST request a year each of English and Math courses, as four years are required for graduation. If you do not list alternates and an elective you are requesting is either not available or will not work in your schedule, a choice may be made for you without your input. There are no alternates for graduation requirements such as Phys. Ed. or Health.*

| Subject  | Course number | Course Name | # of credits | Alternate 1 | Alternate 2 |
|--|---------------|-------------|--------------|-------------|-------------|
| English<br><i>(year or semester)</i>   |               |             |              |             |             |
| English<br><i>(year or semester)</i>   |               |             |              |             |             |
| Math   |               |             |              |             |             |
| Science  |               |             |              |             |             |
| History/<br>Social Science   |               |             |              |             |             |
| Language   |               |             |              |             |             |
| Other  |               |             |              |             |             |
| Elective,<br>1 <sup>st</sup> choice  |               |             |              |             |             |
| Elective,<br>2 <sup>nd</sup> choice  |               |             |              |             |             |
| Elective,<br>3 <sup>rd</sup> choice  |               |             |              |             |             |
| Senior required courses<br><i>(Phys. Ed., Senior Internship, Guidance Seminar)</i> |               |             | 3.5          |             |             |
