

WESTON HIGH SCHOOL
New Student Course Request Form – For Students Entering Grade 9

Course selection requires a thoughtful contemplation and discussion with parents/guardians and a guidance counselor to help clarify your options and planning for the future. Please see the Program of Studies for a complete list of course offerings for the year. You can access the Program of Studies through the Weston High School website – Academics page. The courses and grades from your prior school will be taken into consideration for placement in honors or AP courses. Placement into world language courses may require a conversation with the department head.

Please note:

- Students must **register for a minimum of 33.5 credits and provide alternate electives** as indicated below.
- Please print clearly **in ink**.

PRIMARY COURSE REQUESTS

Note on Alternates: *There are no alternates for graduation requirements such as English 9, World History, Geometry, Phys. Ed., or Health. However, there may be several choices for upper level or alternative courses. If you do not list alternates and an elective you are requesting is not available, a choice may be made for you without your input.*
