

WESTON PUBLIC SCHOOLS

**ELEMENTARY LUNCH SUBSCRIPTION
SECOND SEMESTER**

February 2, 2015 – June 19, 2015

IMPORTANT- PLEASE READ CAREFULLY

Please note that cash is not accepted at Country, Woodland and Field Schools.
Therefore, if your child purchases lunch only occasionally we suggest you consider sending in a minimum payment of \$50.00 to prepay lunches.

All students are given a school meals debit account with a unique Personal Identification Number (PIN) to access that account. Each student's PIN will remain the same throughout their schooling in Weston. In order to prevent fraudulent use of PIN numbers your child's picture appears on the monitor each time their account is accessed. Money is only deducted from an account when a student uses the account to purchase meals and/or milk. When your child's account falls below \$15.00, a letter or email will be sent home to notify you that the account is low and it is time to deposit more money.

To make a semester payment, please begin by filling out the semester lunch form at the end of this letter. Online payments can be made at www.myschoolbucks.com. To create a new account, you will need your child's PIN. Please call Tess at the Foodservice office (781-786-5295) to obtain this number. If you choose to pay online, we ask that you return the information form below, and check off "payment made on line". If you are paying by check, make it payable to "Weston School Lunch Fund", note your child's full name on the memo line and attach it to the form. Mail payment directly to the attention of Foodservices at the school's address where your child is enrolled or you may choose to bring payments directly to the Food Service office located in your child's school. Please do not send cash, as it may become lost or stolen.

Reminder: **Your child/children's accounts are meant to be debit accounts, not credit accounts.** Therefore we must ask you to make a deposit into your child's account before they continue to participate in the lunch program. If your child's account has a negative balance in it from last semester, you are expected to increase the amount of your payment to cover any past due amount, in addition to the next semester payment. All monies received will be used to pay off past due amounts first. Your child may be limited to a Low Balance Meal Option if negative balance is \$25.00 or more.
