

ENROLLMENT PROJECTIONS

Enrollment projections shall be prepared on a five and ten-year basis under the direction of the Superintendent and shall be reviewed and brought up to date at least annually.

The projections shall take into consideration the following:

1. Data from the latest school census furnished by the Town Clerk.
2. School registration figures as of October 1 and other dates to be determined.
3. Review of recent/current/forthcoming changes in town planning and zoning.
4. Review of building permits and residential development projects.

When the building, expansion, renovation, and/or closing of school facilities is contemplated, the School Committee may from time to time authorize other studies be made of future population and school enrollment.
