

GROWTH AND DEVELOPMENT SCREENINGS

In accordance with Massachusetts Department of Health regulation (M.G.L. c. 111, § 3 and 5; c. 71, § 57 -- 105 CMR 200.000: PHYSICAL EXAMINATION OF SCHOOL CHILDREN), the District Nurse Leader will ensure that the Body Mass Index (BMI) and corresponding percentile of each student in grades 1, 4, 7 and 10 is calculated and reported directly and confidentially to a parent or legal guardian each year. Such screening and reporting shall be conducted within all guidelines as put forth in M.G.L. c. 111, § 3 and 5; c. 71, § 57 -- 105 CMR 200.500: Growth and Development Screenings.
