

SCHOOL COMMITTEE MEMBER COMPENSATION AND EXPENSES

School Committee members shall receive no compensation for their services. However, upon submitting vouchers and supporting bills for expenses incurred in carrying out specific duties or activities previously authorized by the Committee, members may be reimbursed from district funds. If a member would like to seek reimbursement for expenses that were not pre-approved for reimbursement, those expenses may still be retroactively approved for reimbursement.

Such expenses may include the cost of attendance at conferences of school boards associations and other professional meetings/visitations when such attendance and expense payment has had prior Committee approval.
