PROHIBITION OF HAZING

No student, employee or school organization under the control of the School Committee shall engage in the activity of hazing a student while on or off school property, or at a school sponsored event regardless of the location. No organization that uses the facilities or grounds under the control of the School Committee shall engage in the activity of hazing any person while on school property.

Any student who observes what appears to them to be the activity of hazing another student or person should report such information to the Principal including the time, date, location, names of identifiable participants and the types of behavior exhibited. Students and employees of the Weston Public Schools are obligated by law to report incidents of hazing to the police department.

Any student who is present at a hazing has the obligation to report such an incident. Failure to do so may result in disciplinary action by the school against that student and could involve suspension from school for up to three days.

Any student who participates in the hazing of another student or other person may, upon the approval of the Superintendent, be suspended from school for up to ten (10) school days.

Any student determined by the Principal to be the organizer of a hazing activity may be recommended for expulsion from school but will receive no less disciplinary action than that of a participant.

In all cases related to hazing, students will receive procedural due process.
