Important Dates & Upcoming Events

February 18-22: Vacation

March 15: End of Hope and Comfort Drive

PTO & WEEFC Announcements

Dear Field School Families,

We hope you and your families are having a wonderful weekend.

Please note that items in the lost and found, located in the Field School lobby, will be available to look through up until **March 1st**. All unclaimed items will be donated to Goodwill after the **March 1st** deadline.

The PTO is running a drive to support the local organization Hope and Comfort from February 1st - March 15th.

Hope and Comfort was started by Weston residents Jeff and Loren Feingold out of their garage in 2011. Since then, the organization has distributed 750,000 items to area schools, food pantries, and many other human services organizations throughout Greater Boston and MetroWest to help people start each day feeling clean and confident. Please drop off unused, unexpired items to the Hope and Comfort collection bins located in the school lobbies.

Most needed items are children's toothpaste, deodorant, and body wash. Also shampoo and conditioner.

Enjoy February Vacation, and see everyone back at school on the 25th!

As always, please feel free to reach out to us with any questions, comments, or concerns.

Best,
Grace Yang and Aida Arain-Alam

From the Principal

Please see message from our guest writer, 4th grade WEEFC principal of the day, Arya Bhargava. I hope you have a restful vacation with your families!

Dr. Green

Dear Field School Families,

It has been a pleasure being a principal for a day. Principals hold so much power that it is hard to control! They have such a busy schedule during the day, and getting to feel how busy it is, is really cool! (I also found out principals like samosas). Now I want to talk about some of the things I did while I was principal. First, I went around all the classrooms and looked to see if all was good. I was also shown the safety features of the school. So, parents/guardians, you must not worry, your children are completely safe. As I walked around classrooms, others gave me ideas on how to change this school and make it better with little tweaks. I had to walk down and ask the questions to other staff to give answers back to the students. I also got to judge a debate, which was about the pros/cons and strengths of different fruits and veggies with Mrs. Scott and Mrs. Quezada's classes. They were down to 10 finalists, and as the principal, I had to help decide the winner. They were all so good at it! To the parents/guardians of those 10 finalists, you should be very proud of the children who did so well. Of course, all parents/guardians from Mrs. Scott and Mrs. Quezada's classes should also be proud! I also went to Mrs. Simon's class and saw preschoolers visiting Field! They are so cute and adorable! During RL (Recess Lunch), I had a meeting with the Superintendent. I had a chat about many important things. My favorite part of this day today was the debate, choosing two students out of ten was extremely hard and great! A principal has many duties, experiencing all of it was great fun! I very much enjoyed the experience and I hope I have done good things to this school.

Sincerely,
Principal Of the Day, Arya Bhargava

What's Been Happening at Field School

Woodland pre-schoolers visiting their Field sister class.

5th grade students prepare to participate in a bus safety assembly.

Principal of the Day, Arya Bhargava

Thank you to the Field families who invited me to the Chinese New Year Party in Natick!
