PTO & WEEFC Announcements

Dear Field School Families,

We hope you and your families enjoyed a wonderful weekend.

This Thursday is the Principal's Coffee 9-10am in the cafeteria. The 5th grade unit on Human Development and Middle School language choices will be discussed. The language selection process for Middle School is changing in a rather significant ways this year. We encourage families to attend the coffee.

Field School's new Resource Officer, Lindsey Arsenault, will also be at the coffee to introduce herself to the community. This coffee is open to 5th and 4th Grade families.

Movie Night is this Friday at 6pm in the gym. The students selected Aladdin as the feature film. Free admissions, popcorn and juice will be provided. Families should bring a blanket and pillows to the event in order to claim a spot on the gym floor. If you would like to contribute additional nut-free snacks, please do so here. Please note that this is NOT a drop-off event. An adult must accompany your child in order to gain admission to the event. We hope to see you on Friday!

Please mark your calendars for Field School's Diversity Fair which will take place on Friday, February 28th from 6-8pm. If you are interested in volunteering or hosting a country/culture specific booth, please let us know.

Please see your class parent email with additional WEEFC and School Committee/school budget announcements.

Please feel free to contact us with any questions at FieldSchoolPTO@gmail.com

Wishing everyone a wonderful week ahead!

Sincerely,
Aida Arain-Alam and Jennie Glass

From the Principal

Dear Field Families:

I hope this message finds you having a great start to the week. Thank you to A.J. Steinberg for being a fantastic Principal of the Day last week. A.J. assisted me with a number of responsibilities throughout the day and capped it off defeating me in a game of basketball (HORSE) outside. Thank you once again to WEEFC for sponsoring the Principal of the Day program, and for your ongoing support!

I am excited to see many families at our coffee on Thursday morning at 9 AM, which will focus on the upcoming fifth grade health unit. I will be sending out additional information to fifth grade families tomorrow, though all Field families are welcome at the coffee. Kathleen Baker from the foreign language department will also be presenting middle school language offerings at the coffee. Her presentation kicks off a number of informational events we will be holding for families on the transition to Weston Middle School (WMS). It is hard to believe that we are already discussing middle school, but our fifth graders will be graduating from Field before we know it. WMS principal, John Gibbons, and I regularly communicate about the transition and will be sharing more information (sometimes together) in the coming months.

I very much look forward to seeing students and families at Field Movie Night on Friday starting at 6 PM. Please see below for additional information. I hope you and your family have a great week.

Sincerely,

Dr. Green
