January 4: Students Return from Winter Break

January 15: No School

January 18: MLK Day--No School

January 28: Principal Coffee (4 PM)

PTO & WEEFC Announcements

Dear Field School Families,

As 2020 is about to end (thank goodness), we want to thank you all for the tremendous support, positivity and kindness you have shown throughout the year! While we couldn't come together in our usual ways, we still kept in touch with weekly emails. We have wonderful room parents who help disseminate important information and even set up virtual zoom playdates for RLA and hybrid cohort students! We have a great 5th Grade Celebration Team and video volunteer who has already begun putting together a very special collection of photos to commemorate our 5th graders. We supported others by raising funds for Russell Elementary School students in Dorchester, and we collected donations for UNICEF and food/supplies for Bristol Lodge. We came together for a festive Halloween Parade and helped the sophomore class while they brought joy to others. In addition, we supported our teachers and Field School staff through your extremely kind donations. We started the school year with sunflower vases, provided dinner for everyone at BTSN and ended with holiday gift baskets filled with hot cocoa, a candle and coffee mug, cookies, and a mini cake along with a scrumptious breakfast.

While this was a difficult year, you have all shown us what it means to be a part of a loving and caring community. Thank you for supporting the PTO and each other! We wish you a bright and healthy 2021 and a joyous holiday season! We look forward to new ways to come together next year.

Best wishes,

Jennie Glass and Gillian Fachner
Field School PTO Co-chairs

From the Principal

Dear Field Families:

I hope this message finds you healthy and doing well. I am thrilled that we are entering the winter break (and exiting 2020) with both a thriving remote learning academy (RLA) and in person learning model that has allowed for students to come to Field in person every day. I am thankful for all of your support and flexibility through all the uncertainties and change. Every day, I enter the building with a smile on my face as I observe countless examples of student and staff resilience and creativity all around me!

The school will see additional changes when students return to learning on January 4th. Several Field students will be in new placements, having either left RLA for in person learning or shifted into RLA from the classroom. With a vaccine on the horizon, we enter 2021 with optimism. However, we will continue to be vigilant and implement the myriad safety procedures that have successfully been in place since the first day of school.

I hope that you will be able to take some time to relax and recharge with your families during the winter break. Take care and happy new year!

Sincerely,

Dr. Green
