June Academy Policies

Attendance and Grading

• Successful completion of June Academy in 9th, 10th, and 11th grades is a graduation requirement.
• All courses will be graded Pass/Fail and are recorded on students’ transcripts.
• More than 1 day of absence = Fail (4/5 days required)
• More than 2 tardies = Fail

For 1/2 day courses, missing 1/2 or more of a class = 1 absence
Tardy = late up to less than 1/2 the class missed

For full day courses, missing more than 90 minutes of a class = 1 absence
Tardy = late up to 90 minutes of the class missed

Credit/Grade Recovery

• Existing protocols regarding Medical, Bereavement, or other extraordinary/unforeseen circumstances will apply as necessary.
• Students with a Fail will have an opportunity to earn a Pass by doing an alternative project or assignment subject to approval of the June Academy Pass/Fail Committee.
• There may be situations causing a student to not be in class but still in school. Administration will identify a room supervised by a faculty member where these students may work on an alternative assignment.

Principal’s Discretion

• Equivalency Pass for a significant learning experience outside of June Academy may be approved before the start of June Academy on a case by case basis with documentation and with the recommendation of the students’ guidance counselor. Only one equivalency pass will be granted toward graduation. Starting in 2017-2018 all formal requests must be made in writing by May 1st.
