SENIOR WEEK-JUNE 1ST-7TH, 2020

Dear Class of 2020,

Senior Week is upon us! It has been a year that none of us could have imagined and we are so proud how you have remained steadfast in this time of uncertainty and finished the year with poise and grace. It is now time to celebrate you and all that you have accomplished.

You now know that graduation is Sunday, June 7th as a few of your classmates will be taking AP exams on Friday, June 5th. We understand this can be frustrating, but particularly in this time of social isolation we want to be sure that we make your graduation as inclusive as possible.

Our goal has been to hold onto as many of our traditions as possible and add some new experiences. Below you will find a list of the events for senior week. Most are celebratory and some are logistic.

Congratulations Class of 2020 for getting to Senior Week and we look forward to seeing you and making this week memorable for all of you!
