I am running for Emcee because I have a good relationship with Edward and Michael and I always like to lighten up the mood. I am pretty shy, but once you get to know me you will realize that I am a real clown and I'll make you laugh.

I want to run for Emcee this year because I really like public speaking and performing. I believe this year I can make zoom assemblies just as good as last year. Edward, Josh and I have a great relationship and I want to make assemblies enjoyable for everyone at school.

I'm a good candidate for MC because I am a leader by nature, but also a very laid-back fun individual. I love a good joke and always try to incorporate humor to lighten up the mood. Additionally, I make it my goal to build a stronger community as MC.
