

# 2021-22 WHS Course Requests

**Class of 2022**

Students must finalize *in person or zoom* with their school counselor:

Tues 2/2, Thurs 2/4 & Fri 2/5

Please see your **Course Recommendations** (in the IC Campus Backpack) in planning your academic program for the next year. Further, a thoughtful contemplation and discussion with your school counselor often helps in clarifying your options and planning for the future. You can access the Program of Studies through the Weston High School website – Academics page.

**Please note:**

- **You do not have to take all the courses for which you were recommended.** Generally, students take five credits in each academic subject area. As a senior you may choose to focus your interests slightly, although taking courses in at least four disciplines is recommended. Choose honors and AP courses wisely, considering your schedule as a whole and activities in which you participate.
- You **must** have a teacher recommendation in order to sign up for an honors or AP-level course. *Note: Recommendations are not required for AP Psychology, AP European History or honors senior Social Studies electives.*
- **If you would like to take an honors or AP course but were not recommended, you must complete the override request process by February 26, 2021.** To request an override, see the Override Request Form available on the Guidance & Counseling section of the high school website. *Students should not wait to meet with their counselors before initiating the override process.*
- We are unable to honor teacher requests.
- **Students must register for a minimum of 33.5 credits and provide priorities and alternates** as indicated below. Five credits of English and Math are required. The maximum number of credits per semester is 20 and per year is 40.

**Priority and Alternates:**

Please indicate the priority of your course selections, since it may be necessary to go to alternates if conflicts arise. **If you do not list priorities and alternates, and the course you are requesting is not available, a choice may be made for you without your input.**

Course Requests for Grade 12							
Subject Area	Course Name	Course #	Credits	Priority	Alternate Course 1 (Name) REQUIRED	Alternate Course 2 (Name) REQUIRED
