Senior season is here!

Coffee Pond Photography has had the pleasure of working with many of the Weston Public schools since 2001 and we are thrilled to add Weston High School to the Coffee Pond family in 2021! In addition to traditional school portrait services in the fall, Coffee Pond will be offering Weston High Seniors individual portrait sittings similar to those families might book with a private photographer. These sessions will conveniently take place on the beautiful Weston High School campus.

We hope you will give us a try and see the outstanding images we can offer in both indoor and outdoor photo sessions. In addition to online portrait viewing and ordering, your Senior will be able to easily select their yearbook image right on our website, adding to the convenience of booking with Coffee Pond.

We focus on *you!*

Seniors are encouraged to schedule their Senior Portrait sitting as soon as possible and will have the option of outdoor (weather permitting) or indoor portrait sittings or a combination of the two. Only one student may be booked per sitting.

Coffee Pond Photographers will be on site at the high school on the following dates:

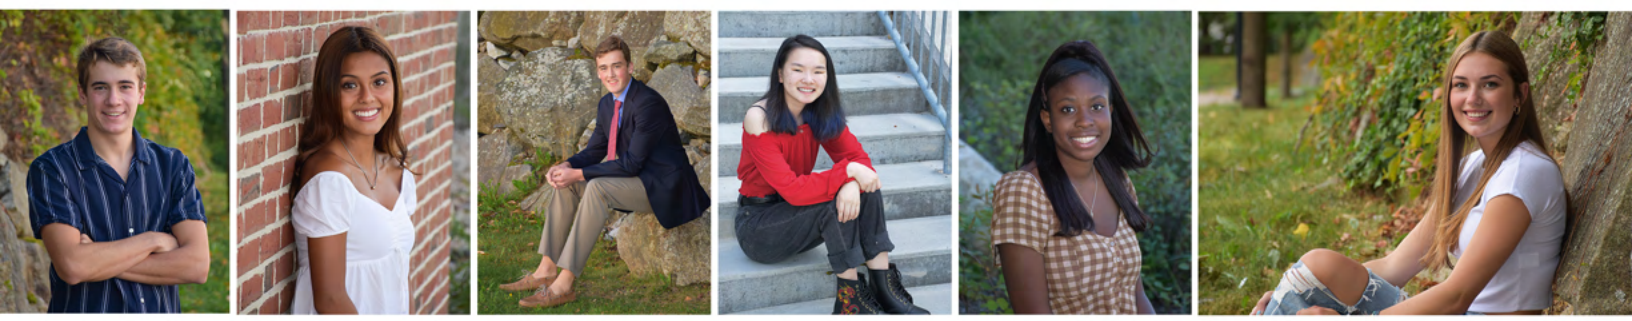
September 16th and 18th • October 20th

Sessions are 15 minutes in length. We will not be accommodating complete outfit changes during the session, however students are welcome to bring an additional layer, such as a sweater or jacket, and take photos with and without. You will receive approximately 20 images to choose from.

We ask that only the senior who is to be photographed be present for the session unless the student requires special assistance from a family member or guardian.

Senior Portrait sittings will be booked online. The fee for the session $40. Please follow the steps below to book your senior portrait sitting:

Visit www.coffeepond.com and click on the blue button that says "Senior Portrait Sign Up". You will be prompted for your school code which is "WHS2022". Select the date and time you would like and complete the registration form. Confirmation emails will only be sent to the first email address entered. You will receive a confirmation email with your session date and time. If you need to reschedule your session after you have booked it, use the link in your confirmation email to change your date and time. You may not reschedule within 48 hours of your session. If you have any questions, please contact seniorportraits@coffeepond.com . If you fail to attend your scheduled session, you will incur a rebooking fee of $20.00.

Approximately two to three weeks after your portrait sitting, an email will be sent to all the addresses provided in your portrait sitting sign up. The email will contain a private password that will allow you to view your images and will provide ordering instructions, as well as instructions for selecting your yearbook image.


If you are unhappy with your images after you have viewed them, you may book another session for $20. Please email seniorportraits@coffeepond.com for information on how to book a retake session. If you have any questions regarding ordering, image retouching or related issues, please contact Coffee Pond Photography Customer Care at lifeguards@coffeepond.com or (508)907-6633 x 0.
