Hello Wildcat Students and Families-

It doesn't feel real to write this, but this Thursday, March 17, is the end of the third quarter! Where did the year go? We are excited as we move into spring next week as students have started to spend more time outside; spring sports begin next Monday; events are happening for all classes and in general it is starting to feel more like what school used to feel like.

3rd Quarter Grades: The grading window viewing portal will close at 3pm on Thursday, 3/17 to allow teachers time to input their grades. The viewing portal will reopen at 8 am on Monday, March 21. Report cards will then be published Tuesday, 3/29 at 3 pm.

MCAS Reminder: Next Tuesday & Wednesday, March 22 & 23, is the ELA MCAS. **All sophomores are required to report to school by 8:40. We will use a two-hour delayed schedule. There will be two bus runs-one for an 8:45 arrival and one for a 10:45 arrival.**

Wishing you the best!
