On behalf of Weston High School, I am excited to announce that Todd Whitten has been selected as our new Assistant Principal and will begin this new position next week.

Todd is a proud alumn of Connecticut College, where he graduated with both a degree in International Relations and a fluency in Mandarin Chinese. After completing a Masters Degree in International Politics at Boston College, Todd began full-time teaching in 1997 at Beaver Country Day School. While there, he was the 9th Grade Dean, History Department Chair, and Dean of Faculty.

Mr. Whitten left Beaver to help start Pathways to China, a multi-district collaborative focused on providing hybrid coursework on various aspects of China's culture, history and language combined with student travel to the PRC. Todd then joined the faculty at Burlington High School, and in 2011 became the Social Studies Department Chair. Todd completed ACCEPT's Education Leadership Institute in 2022, gaining his principal's licensure and a Master's Degree in Educational Administration from Fitchburg State College.

Todd lives in Wayland with his wife Chitra and varying combinations of their four adult children.

We are excited to have Todd join our administrative team.

Please join me in welcoming Mr. Whitten to Weston High School. We look forward to a great school year!

Sincerely,
Sue Bairstow
