Hello Incoming 9th Graders and New Students to Weston High School!

We are so looking forward to seeing you on August 29th for orientation at Weston High School. Please join us in the auditorium at 8:45 AM. Administrators and student ambassadors will be outside to greet you and to help get you to the right spot.

The morning will begin with a few words from your administration, followed by your school counselors who will spend time with you to answer any questions you may have regarding your schedule. Finally, our student ambassadors will lead tours around the building.

New students to Weston (10th, 11th and 12th graders) will have the opportunity to log onto your Weston account and have access to your schedules, school email, and google classrooms. During this time WHS faculty members will be available to assist any students so bring your computer if you are looking for help.

We will wrap up with lunch provided by WHS from 11:00 - 11:45 AM. Please note that regular bus routes will run in the morning and at the conclusion of the orientation.

It is our hope that this day will help you feel more comfortable, get you ready for your first day at WHS, and get you excited to become a Wildcat!

Sincerely,

Ms. Bairstow, Principal
Mr. Whitten, Assistant Principal

Orientation Schedule For All Members of the Class of 2028 and New Students to Weston

Thursday, August 29, 2024
