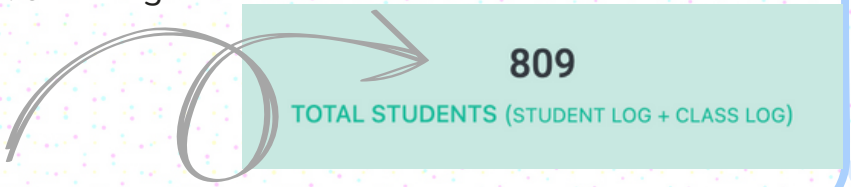
MARCH NEWS

Tech Corner: LibraryTrac—New sign-in!

Starting February 24, **we've switched** to LibraryTrac to better track library usage and improve our services.

So far **we've been able to track 809 students** using the library for a variety of activities—and we love seeing these numbers!



Did you know?

- The library has digital videos!
- We've been uploading videos we own to Drive, and you can find these on the WHS Teachers' Resource Page.
- **Scroll** all the way down to Library!

February Raffle Winners

Lilly Fourreau & Youmna Badlissi

Latest in the Library

- Congratulations to our raffle winners who won a Wildcat plushie and a Weston winter hat for participating in the February "To Due" List Challenge.
- **Genre Exploration Challenge.** Prepare to be challenged to read across a variety of genres leading up to April break!

We're Not Just Books!

Your Librarians can help you AND your students

The Library is happy to help with any of the following:

- The research process
- Research guides
- Database access
- Using the library online catalog
- Ethical use of information and AI
- Resources for selecting books
- Curating books for a class project
- Intellectual freedom
- Online safety
- Genre studies
- Tech tools...and more!

Have an idea not on this list? Reach out and let us know!
