UP, UP AND AWAY:
Slide into our new playgrounds

In partnership with **Weston Public Schools**, **WEEFC** and its community partners, the **Weston PTO** and **WCCA**, are teaming up to raise funds to build **four new playgrounds** for our children and community on the campuses of Country and Woodland Schools. With your support, we can create safe, inclusive, and exciting play spaces that will benefit children for years to come. Building will commence following the end of school and will be ready to enjoy when students return to school in the fall!

💛 Every donation, big or small, makes a difference. Please see the following information on leadership giving and naming opportunities.

🎯 Our fundraising goal is **$110,000** for playground enhancements on all four new playgrounds. Thanks to a generous $25,000 donation from the PTO and $2,500 from the WCCA, we are already headed up, up, and away to slide into our new playgrounds!

DONATE TODAY! Your tax-deductible donation can be made via Venmo to @WEEFC-Weston, MySchoolBucks, check, or DAF with "playground" noted in the memo of your payment*

Help invest in our kids by building the future of play!
