Message from Principal

Dear Woodland Families,

The weather is certainly reminding us that the Fall season is here. With this season comes all the new that the school year offers. We invite all Preschool through Third grade families to our Back to School Night on **Tuesday, October 5th**. We look forward to seeing you all there and making the best out of this virtual Back to School Night platform. This year, we are excited to spend the evening with families and share grade level curriculum, as well as specific information virtually. All zoom links needed for the evening will be sent via email on Tuesday, October 5th. Below is the evening's schedule:

- 6:00-6:30 pm

Principal Presentation

PTO and WEEFC video

Introduction of Specials Teacher Team, Special Education Team and many other faculty members

- 6:30-7:00 pm

Preschool, Kindergarten and Grade 1 classroom visits

- 7:00-7:30 pm

Grade 2 and Grade 3 classroom visits

Another way to support our schools is participating in WEEFC's Principal for a Day Raffle! Enter your child for a chance to be PRINCIPAL FOR A DAY! Click [here](#) through October 15th to buy 2 chances for \$10, 5 for \$20, or 15 for \$50. One Woodland winner will be drawn in mid-October, and all funds collected will be used to support enrichment programs in our schools.

We want to help make dismissal as smooth and efficient as possible for you and us. Here a few reminders:

- When changing your child's dismissal, please make sure to send in a change of dismissal note the day of to your child's classroom teacher.
- If you are picking up another child that is not part of your family please make sure you have a car placard for that child. Families can request extra placards from the main office.
- Due to safety protocols, children can not ride other buses even for a playdate. Children may only ride their assigned bus.
- If an after school activity is canceled, please call the front office to let us know how your child is expected to go home. Please do not send an email to the classroom teacher. They are not in front of their computers because they are teaching.

Sincerely,

Jennifer G. Faber
